Dear Sir,

Your kind D.O.No.1236 dated [illegible] 1925.

I note that only one row of chairs may be placed on the ground and for the others a gallery is necessary. I expect I may be able to spare enough planks for this year from New Guests Mansion for 4 5 rows on each side, and for the remaining 2 rows we will have to provide either kadapa slabs or Mangalore Tiles fixed on earth. I may mention that planks are not likely to be available next year, and next year's work (for Birthday) will cost us a large sum. To reduce cost I am trying to get some old sleepers from the Railway, and if good and sound ones of the required length are made available, we will have some savings.

I have enclosed an Estimate amounting to Rs. 1200/- for the work in question, and shall feel obliged if you will kindly return it countersigned, to enable its being sanctioned. The cost as actually incurred will be debited

debited to you. I have tried to use all the old material available in the Stores.

The work is started pending sanction, as it has to be completed in time.

Yours Sincerely,

SIR

With reference to your letter No.1169 dated the 5th Septembe 1925, I have the honor to inform you that as desired by you the Executive Engineer, Mysore Special Division, was requested to fit up the Marriage Pavilion of the Jaganmohan Palace at Mysore for holding meetings of the Representative Assembly during last Dasra and to submit an estimate of cost for the work. Accordingly he has submitted an estimate amounting to Rs.1,200/-. The cost of the work has to be borne out of the provision made against "12. General Administration - 3.Legislative Council, Representative Assembly" for the year 1925-26. The estimate is therefore herewith forwarded to you for sanction and allotment of funds.

I have the honour to be,

Report to accompany the Estimate for fitting up the Jagan Mohan Palace Pavilion, for the Representative Assembly Meetings during -- September and October 1935.

The Representative Assembly Meetings were being held in the - Durbar Hall of the Public Offices. As this Hall would be insufficient to accomodate all the members and guests, since its enlargement, it is being held in the Jagan Mohan Palace Pavilion, a Palace Building kindly placed for the purpose at the disposal of Government.

A plan showing the proposed arrangements of Dias, plat-forms, place for the Press and gallery for the Representative Assembly Members is enclosed. It is proposed to have 3 temporary rows of gallery each step being 3/6' wide and 3" high. Brick wall will be constructed and at intervals and the spaces covered over with thick 2" planks made available for this year from the New Guests Mansion. As enough planks are not available this year, it is proposed to have one row of chairs on the - floor, 2 rows on earthen gallery covered over with kadapa slabs or - Mangalore tiles, and the remaining 4 rows of gallery will be provided with planks. In each row there will be 18 chairs, and thus in 7 rows 126 Members will be accomodated on each side.

The Estimate is prepared on the requirements considered necessary. For item No.7 & 8 materials available in the Stores will be temporarily used. Items such as, carting and re-carting the furniture, curtains, screens, wooden planks etc., are provided for.

Necessary Lump sums, such as, cleaning the Hall every day during the occassion; (Item No.14. L.S.Rs.70/-) watching the furniture etc., (Item No.23. L.S. Rs.70/-) Electric charges, such as, Temporary lights, fans charges etc., (Item No.28. L.S. Rs.30/-) Scraping & polishing furniture; (Item No.29. L.S.Rs.75/-) unforeseen works, ... (Item No.30. L.S.Rs.50/-) and petty repair charges (L.S. Rs.30/-) are made in the Estimate. Actual charges as incurred will be paid and it is presumed there is not likely to be much excess.

Rates are usual and call for no special remarks.

SIR

In compliance with your letter No.2735 dated the 10th November 1925, I have the honour to forward herewith for favour of disposal, a bill (in triplicate) amounting to Rs 1,142-14-0 (Rupees one thousand one hundred and fortytwo and annas fourteen) only received from the Executive Engineer, Mysore Special Division, for fitting up the Marriage Pavilion of the Jagan Mohan Palace at Mysore for holding the meetings of the Representative Assembly during the Dasara Sessions of the year 1925.

2. The present bill is for items of works carried out by the P.W.Department and for which the Executive Engineer, Mysore Special Division has to account for.

3. It is reported by the Executive Engineer that the Electrical Department has not up to now intimated the cost of running the temporary supply lines and the cost of power consumed. This if received from the Electrical Department will be transmitted to you separately for acceptance.

4. In the meanwhile the estimate already forwarded to you may be kindly sanctioned early to regulaise the expenditure already incurred and to wipe off the objection by the Comptroller of Mysore under "Want of estimate and appropriation."

5. From the bill it will be seen that a sum of Rs 174-5-0 has been included on account of "Establishment and Tools and Plant charges". But in this connection it may be mentioned that as laid down in Article 574 of the Mysore Account Code Vol.III Part I. Such charges are to be made only if the Department executes a work the outlay of which is not debitable to State Funds; whereas in the present cases the charges are met out of "12 General Administration". So the inclusion of such charges is not necessary. This may be deleted if the Comptroller of Mysore agrees with me.

I have the honour to be,

Sir,

Your most obedient servant,

S. H. Lakshmipathy

For Chief Engineer of Mysore.

RA 29-25-6

Proceedings of the Govt. of H.H. the Maharaja of Mysore.

R e a d:--

Correspondence ending with letter No. 7623 dated 6-1-1926 from the Chief Engineer in Mysore forwarding the bill of charges in triplicate for Rs.1,142-14-0 inclusive of a sum of Rs. 174-5-0 on account of 'Establishment, tools and plant charges' received from the Executive Engineer, Mysore Special Division for fitting up the Marriage Pavilion of the Jagan Mohan Palace Mysore for holding the meetings of the Representative Assembly during the Dasara Session of the year 1925.

Order,No. Rl 391-3 / R A 29-25-6.

Dated, Bangalore the 18th mar. 1926.

Government agree with the Chief Engr. that the levy of a sum of Rs.174-5-0 on account of 'Establishment and tools and plant charges' is unnecessary under Art.574, Mysore Account Code,Vol.III Part I. as the outlay in question is debitable to State Funds. The bill is accordingly passed for Rs.968-9-0 only the charges being debited to the head 'Miscellaneous' under 'Representative Assembly' 12 Genl.Administration 3.R.A.L.C. and E.C. in the current year's budget.
